

# Summer Springboard

August 1, 2011

Dear Parents/Guardians:

The first two weeks of Summer Springboard have flown by. The students are coming in smiling every morning ready to take on learning for the day. It has been a wonderful experience for me to watch them and visit them in their classrooms.

We still have two weeks of learning to look forward to and it is important that we use our time together wisely. That being said, student absences should be avoided if possible. We do realize that there are circumstances that cannot be avoided such as illness and prescheduled family vacations or activities. **If your child must be absent please call the Summer Springboard office at 763-213-8863 to let us know.**

\*Remember to send a snack with your child if you would like them to participate in their scheduled snack time.

\*Students who are dropped off prior to 8:55 are asked to wait in the main entrance. This will help ensure that teachers are in their classrooms ready to instruct and supervise as students enter.

\*Please be mindful of dismissal time. Students who are picked up each day should be picked up **no later than 12:05**. If you are running behind please call the office so arrangements can be made for someone to stay late with your child(ren).

\*A Summer Springboard survey will be sent out toward the end of this week. Please watch for its arrival and take a few minutes to fill it out and send it back to school by Wednesday, August 10<sup>th</sup>. All feedback is very much appreciated and will be taken with an open mind. Suggestions will be used in developing next year's program so please be honest.

Thank you for your continued commitment to education. Together we truly make a much bigger impact on the lives of children.

Sincerely,

Lillian DeRung
